REGULAR ARMY RESERVE OF OFFICERS.

The attention of Reserve Officers is particularly directed to the following Regulation:—

An officer of the Regular Army Reserve of Officers shall report at the beginning of each year, in writing to the Under-Secretary of State, The War Office. Should he fail to do so, he shall (unless he is an officer in receipt of retired pay) at the end of the year in which he fails to report himself, be transferred to Class II of the reserve, but his liability for service shall remain unaffected by such transfer. In the event of continued failure to report, an officer (unless he has retired from the Regular Forces, with liability for further service in case of emergency) may at the discretion of the Army Council be removed from the Regular Army Reserve of Officers.

Reserve Officers reporting themselves in compliance with this Regulation, will, at the same time, furnish their addresses for the current year, and any subsequent change of address should be at once notified to The War Office.

Reserve Officers accepting service under any Government Department, County, Borough or Municipal Authority, should notify the fact to the Under-Secretary of State, The War Office, as soon as possible.

Note.—*Officers marked § are voluntarily in the Regular Army Reserve of Officers.*

The ranks and dates shown throughout are those referring to Substantive Rank; where two dates are shown, the second is that of Army Rank.

REGULAR ARMY RESERVE OF OFFICERS

(Arranged alphabetically by ranks in Regiments and Corps.)

The attention of Reserve Officers is particularly directed to the following Regulation:—

An officer of the Regular Army Reserve of Officers shall report at the beginning of each year, in writing to the Under-Secretary of State, The War Office. Should he fail to do so, he shall (unless he is an officer in receipt of retired pay) at the end of the year in which he fails to report himself, be transferred to Class II of the reserve, but his liability for service shall remain unaffected by such transfer. In the event of continued failure to report, an officer (unless he has retired from the Regular Forces, with liability for further service in case of emergency) may at the discretion of the Army Council be removed from the Regular Army Reserve of Officers.

Reserve Officers reporting themselves in compliance with this Regulation, will, at the same time, furnish their addresses for the current year, and any subsequent change of address should be at once notified to The War Office.

Reserve Officers accepting service under any Government Department, County, Borough or Municipal Authority, should notify the fact to the Under-Secretary of State, The War Office, as soon as possible.

Note.—*Officers marked § are voluntarily in the Regular Army Reserve of Officers.*

The ranks and dates shown throughout are those referring to Substantive Rank.
